Homestead Garage Doors are hand-crafted with elegance, while offering convenience and strength. In order to maintain them in excellent condition, we recommend the following care instructions:

CLEANING

Clean regularly with warm, soapy water and soft cloth only. Do not use a harsh cleanser or power washer.

PAINTING

Use high quality exterior acrylic latex paint. Follow paint manufacturer's recommended application.

MAINTENANCE

Conduct monthly safety checks and regular limited maintenance. To keep your door operating safely and smoothly for years to come, we recommend an annual visit from a trained door technician.
