# ProCore™ Series

ProDoor is proud to offer the ProCore Series, a premium collection of garage doors in a variety of styles, all with superior thermal performance. Each model in this line features environmentally friendly ProCore polyurethane insulation with a durable steel exterior and woodgrain surface texture. Our ProCore Series doors also incorporate a modified joint seal that improves insulation and energy efficiency.

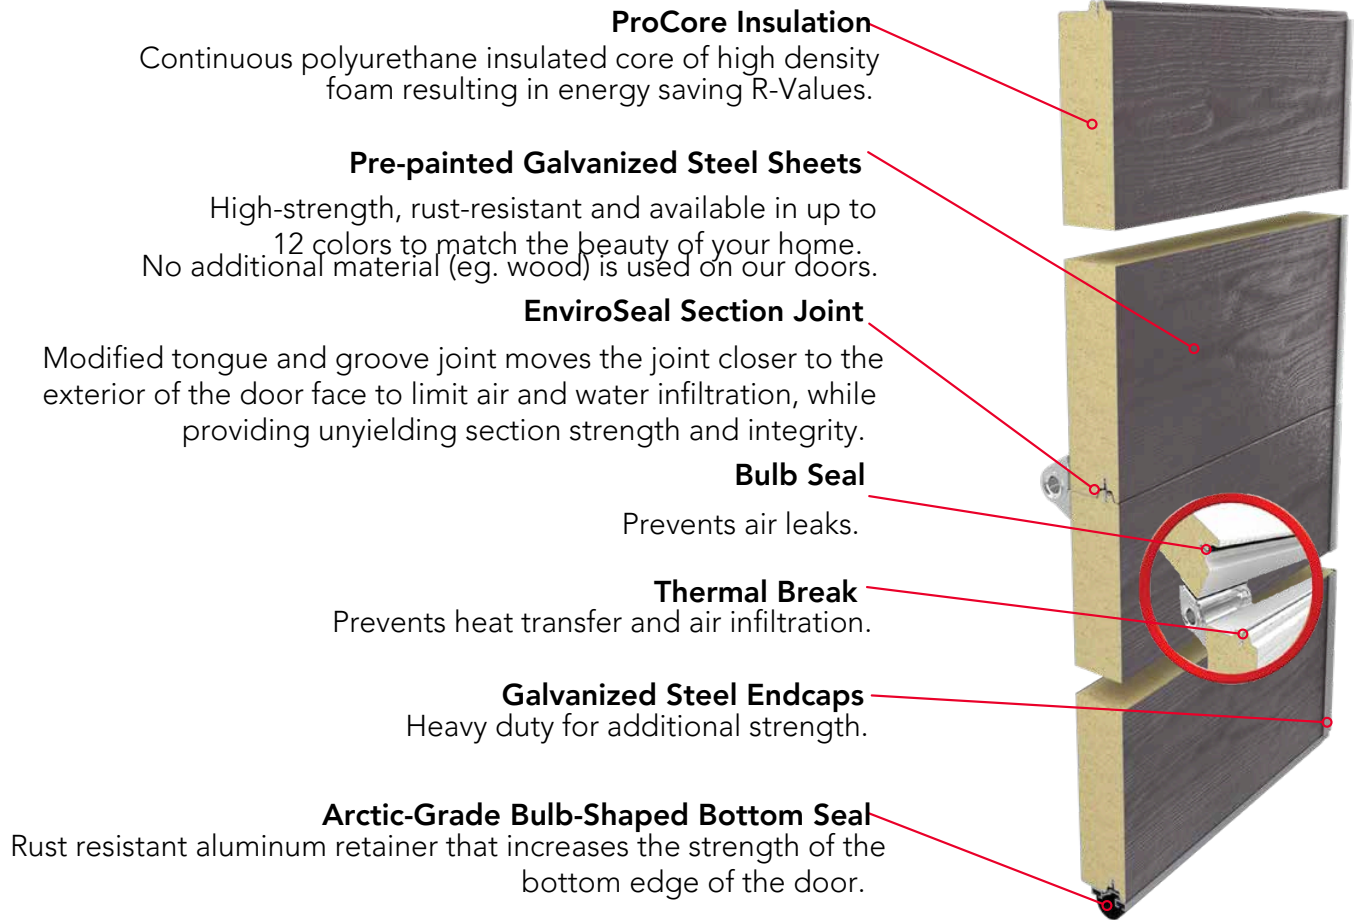

The ProCore Series achieves extraordinary thermal values and stability, due to its environmentally friendly CFC/HCFC free ProCore polyurethane interior. The manufacturing process provides uniform insulation, superior adhesion and boosts the strength of each door panel.

Each ProCore Series panel is equipped with a revolutionary door seal tongue and groove system. The EnviroSeal System prevents air and water infiltration, while providing unmatched section strength and integrity. The seal is equipped to keep dirt, bugs, wind, snow and water out of your garage. The bulb-shaped seal and aluminum retainer on each ProCore Series door increases strength on the bottom of the door.

## ProCore Series Warranty

ProDoor warrants door sections against deterioration due to “rust through” and/or “delamination” and all hardware components. See below for details used in the door system against defects in material and workmanship as follows:

- In residential single-family installations, for as long as the original purchaser owns the home;
- Trim boards on Copeland, Vineyard & Vineyard XL door systems are warranted against delamination for a period of five (5) years.
- Standard Hardware components are warranted for three (3) years. Standard Hardware Plus hardware components are warranted for as long as the original purchaser owns the home.

### **Springs**

ProDoor warrants all spring assemblies used in the door system against defects in material and workmanship as follows:

- In residential single-family installations, for a period of three (3) years from the date of delivery to the original purchaser.

### **Glass**

ProDoor warrants its sealed glass windows for five years from the time of purchase against the formation of condensation within the sealed unit. ProDoor will only replace the windows if there is a seal failure. Broken or cracked glass is not covered by any warranty. This warranty does not cover windows or window parts that have been removed from an initial installation and reinstalled in any structure.

### **Painting**

Your ProDoor residential garage door is already protected with a long-lasting finish. No additional painting is required. ProDoor will not warrant any instances of rust, blistering or delamination if third-party paint is applied after purchase.

The logo features a stylized 'V' shape composed of three overlapping triangles in blue, red, and grey.
