This limited warranty extends only to the original purchaser, provided the door is installed in his/her place of residence. This limited warranty is not transferable. This limited warranty applies to residential property only and is not valid on commercial applications or commercial use from a private residence. This limited warranty does not apply to any damage or deterioration to the door caused by abuse, negligence, missing components, accidents/casualty, use of pressure washers, dents or scratches. Shavings from opener trolley rails not properly removed and cleaned from the exterior door surface causing rust are not covered by this warranty.
